

ADDENDUM NO. 1

FOR RFP# 8341

Landscaping Services

**SACRAMENTO REGIONAL COUNTY SANITATION DISTRICT
&
SACRAMENTO AREA SEWER DISTRICT**

The following changes are amended in RFP# 8341 Landscaping Services.

Please change page 5 to read:

AWARD – Award will be made to the proposer that proposes the best value to Regional San and SASD. ~~The Sacramento Area Sewer District and the Sacramento Regional County Sanitation District, reserve the right to award a contract for Landscaping Services, to a single contractor for both Districts, or each District may choose its own separate landscaping contractor.~~

- Proposers are advised to submit their proposals with the objective of obtaining contracting with both Districts.

Please change page 23 to read:

REGIONAL SAN / SRWTP Facility

- a. The Facility Site Representative shall be responsible for setting and programming all irrigation schedules for the REGIONAL SAN Process Area only. This area does not include the Bufferlands Office nor the Project Management Office (PMO). At these Plant sites irrigation programming is the responsibility on the contractor. See attached map.

Please change page 43 to read:

- (2) The proposal consists of a Base Bid Schedule, an Extra Work Schedule, and a Task Proposal Sheet. ~~The contract term is for one year with two optional one-year extensions.~~

Thank you,

Tamblynn Stewart
Senior Contract Service Officer
