PROJECT DESCRIPTION: Project consists of stockpiling of existing DLD 5 Soils, installation of subgrade 60 mil HDPE geomembrane liner system and re-installation of suitable stockpiled soil in DLD 5. Additional project elements include an infiltrate collection system and pumping station and a harvested sludge metering and distribution system.

DESIGN CONSULTANT: Brown and Caldwell
CONTACT: Michael Walkowiak
LDLD5Bids@saccounty.net

CONTRACT DOCUMENTS:

County of Sacramento,
Site Improvement and Permits Section
827 7th Street, Room 102
Sacramento, CA 95814
(916) 874-6544, Hours: 8:30am to 4:00 pm
Cost: \$50.00 per CD

A pre-bid conference and walk-through, mandatory for General Contractors, will be held for the purpose of reviewing and answering questions regarding this project. Attendees must e-mail Ami Patrick at LDLD5Bids@saccounty.net with attendee names at least 24 hours prior to the meeting. This information is required to provide access at the Treatment Plant's security gate. Representatives of the District and the Design Consultant will be present for questions.

PDF copies of the following are available upon e-mail request to Ami Patrick at LDLD5Bids@saccounty.net:

1. Pre-bid construction schedule
2. SRWTP Safety Manual

Award of this Contract requires a valid California contractor's license with the classification identified above.

Each bid must be submitted on the bid forms provided in the Contract Documents. Each bid must also be accompanied by security in the form of a bid bond issued by a corporate surety, a certified check or cashier's check payable to the Treasurer of Sacramento County, for an amount not less than ten percent (10%) of the aggregate sum of the bid.

The successful bidder shall be required to execute a Payment Bond and Performance Bond, issued by a corporate surety, acceptable to the County of Sacramento, each for not less than one hundred percent (100%) of the contract price.

The statements of experience shall be submitted by the 3 apparent low bidders to the County of Sacramento, Department of General Services, Contracting and Purchasing Division, 9660 Ecology Lane, Sacramento, CA 95827 within 7 days following the opening of bids. The required experience statements are as follows:

1. The General Contractor, construction experience of similar magnitude and character to that contemplated under this contract.
2. Those subcontractors listed in the Designation of Subcontractors, construction experience of similar magnitude and character to that contemplated under this contract. The Reinforced Polypropylene (RPP) geomembrane lining system prefabrication and field installation crew shall have the following experience:

- a. The superintendent shall have supervised the installation of a minimum of 2,000,000 square feet of reinforced polypropylene geomembrane.
- b. The master seamer shall have experience seaming a minimum of 1,000,000 square feet of reinforced polypropylene geomembrane using the same type of seaming apparatus to be used at this site.
- c. All other seaming personnel shall have seamed at least 100,000 square feet of reinforced polypropylene geomembrane using the same type of seaming apparatus to be used at this site. Personnel who have seamed less than 100,000 square feet of reinforced polypropylene geomembrane shall be allowed to seam only under the direct supervision of the master seamer or Superintendent.

The High Density Polyethylene (HDPE) geomembrane lining system installation crew shall have the following experience:

- a. The superintendent shall have supervised the installation of a minimum of 2,000,000 square feet of polyethylene geomembrane and 500,000 square feet of geotextile.
- b. The master seamer shall have experience seaming a minimum of 1,000,000 square feet of polyethylene geomembrane using the same type of seaming apparatus to be used at this site.
- c. All other seaming personnel shall have seamed at least 100,000 square feet of polyethylene geomembrane using the same type of seaming apparatus to be used at this site. Personnel who have seamed less than 100,000 square feet of polyethylene geomembrane shall be allowed to seam only under the direct supervision of the master seamer or Superintendent.

The Sacramento County Office of Labor Compliance acts as the Labor Compliance Office for Sacramento Regional County Sanitation District (SRCSD). The County of Sacramento has received final approval as a Labor Compliance Program effective March 15, 1994. All questions regarding this Labor Compliance Program should be directed to the Labor Compliance Section at (916) 875-2700.

In accordance with Section 1771.5 of the California Labor Code, the payment of the general prevailing rate of per diem wages for the general prevailing rate of per diem wages for holiday and overtime is not required for any project of \$25,000, or less, when the project is for construction work, or of \$15,000, or less, when the project is for alteration, demolition, repair, or maintenance work. This is a construction project in accordance with Section 1771.5 of the California Labor Code.

A Contractor or subcontractor shall not be qualified to bid on, or be listed in a bid proposal, subject to the requirements of Section 4104 of the Public Contract Code, or engage in the performance of any contract for public work, as defined in this chapter, unless currently registered with the Department of Industrial Relations and qualified to perform public work

pursuant to Section 1725.5. It is not a violation of this section for an unregistered contractor to submit a bid that is authorized by Section 7029.1 of the Business and Professions Code or by Section 10164 or 20103.5 of the Public Contract Code, provided the contractor is registered to perform public work pursuant to Section 1725.5 at the time the contract is awarded

Pursuant to California Labor Code Section 1720 and following, and Section 1770 and following, the successful bidder shall pay not less than the prevailing rate per diem wages as determined by the Director of the California Department of Industrial Relations.

Pursuant to Section 22300 et seq. of the Public Contract Code, Contractor may, at its own expense, substitute securities for any money being withheld by the District to ensure performance under this contract.

The Board reserves the right to reject any or all bids, to waive any informality in any bid, and to determine which bid, in the judgment of the Board, is the lowest responsive bid of a responsible bidder.

By order of the Board of Directors of the Sacramento Regional County Sanitation District of the County of Sacramento, California, dated December 14, 2016.

Florence Evans
Clerk of the Board of Supervisors
and Ex-Officio Secretary of the
Board of Directors
