Signature: _____

Confluence Regional Partnership Program Funding Areas

▪ **Environmental Support & Enhancement Category**

Funding under this category will be used for projects that protect or enhance water quality of the regional waterways

and groundwater within the following categories:

- American River Parkway riparian habitat and river cleanup
- Septic Tank Conversion project(s)
- Other watershed management efforts

▪ **Public Education Program Category**

Funding under this category will be used for educational programs including outreach to local area schools ranging from elementary to university levels, employment and trade educational programs and tours within the following subcategories:

- Schools/University outreach and education efforts
- Employment/Career outreach and education efforts
- Other educational efforts

▪ **Economic Development Competitiveness Category**

Funding under this category will be used to support the economic vitality of the region by offsetting sewer impact fees for qualifying new commercial customers.
