

Clarifying Statement concerning RFP#8387 Activated Carbon for Odor Control
from Sacramento Regional County Sanitation District.

Clarifying Statement - pgs 10 and 12

- Units of Carbon in RFP 8387 are stated in Cubic Feet, not Pounds.
- The annual volume of 800ft³ translates to approximately 20,000 – 25,600 lbs
- The total 3 year volume of 2400 ft³ translates to approximately 60,000 – 76,800 lbs
- Actual carbon weight will depend on density of the selected media
