

**ADDENDUM NO. 4**

**FOR RFP# 8164  
Liquid Sulfide Chemical Contract Services**

**SACRAMENTO REGIONAL COUNTY SANITATION DISTRICT  
SACRAMENTO, CALIFORNIA**

**The following changes are amended in RFP No. 8164 as follows:**

**Page 36, Item #2 “References”, should read:**

List three or more clients (governmental entities preferred) with whom your firm has provided **chemical feed equipment repair and maintenance services** to. For each of these references, include the organization name, mailing address, and contract person’s name, telephone number and e-mail address.

**Page 42, FOR SPECIAL SERVICE COMPONENT**

**Please replace this page with the page following:**

**FOR SPECIAL SERVICE COMPONENT please provide the following:**

Provide an estimated cost for special services:

Item	Special Service Cost for Special Studies and Providing an Additional Future Feed Station (assuming a max of 525lb of H2S/day).	Implementation Cost	Annual Service Costs	Estimated Annual Chemical Cost
4	New Feed Station (525lb of H2S/day as max capacity)	_____	_____	_____
	Special Services	_____		

**Assumptions:**

- New Feed Station will have an implementation cost, annual service cost, and product costs are estimated on an annual basis.
- Special service costs for special studies as specified in the RFP scope of work.
- NA – Not Applicable

Thank you,

A handwritten signature in black ink that reads "Tamblynn Stewart". The signature is fluid and cursive, with a large initial 'T'.
