RFP No. 9058
ON-CALL GENERAL ENGINEERING SERVICES

Questions and Answers

1. Do you see a benefit to including geotechnical services or architectural services?

Geotechnical services are not requested in this RFP. Architectural services are requested in this RFP.

2. Does this contract provide services on any specific project?

The contract is not for any specific project. We might use these for small projects or tasks as part of a larger project. It depends if we have the resources and/or time within our section to perform the work.

3. Would Regional San consider allowing 20 pages total length instead of 15?

In an effort to streamline the preparation and the review of the proposals, the 15 page limit will not be increased.
