1.2.2 YOU/YOUR are terms that refer to businesses having some sort of relationship to or with us. The term may apply differently as the context will indicate. For instance, “you” as a Contractor will have different obligations than “you” as a Proposer or Supplier will have:

Supplier - A business entity engaged in the business of providing contract temporary personnel services.

Proposer - A business entity submitting a Response to this RFP. Suppliers which may express interest in this RFP, but which do not submit a Response, have no obligations with respect to the proposal requirements.

1.2.4 RESPONSE - The written, signed and sealed document submitted according to the RFP instructions. Response does not include any verbal or documentary interaction you may have with us apart from submittal of a formal response. Verbal interactions will not be binding on Regional San or Contractor with respect to requirements stated within this RFP or resulting contractual obligations.

1.3 RFP CLARIFICATION - Questions regarding this RFP should be directed to the Issuing Officer specified below. Answers citing the question, but not identifying the contractor, will be distributed simultaneously to all known prospective proposers via email. Oral answers provided by Regional San, or its agents shall not be binding.

1.3.1 DEADLINE FOR BID SUBMITTAL – May 4, 2016 until 3:00pm

1.3.2 PROPOSER RESPONSIBILITY - We expect you to be thoroughly familiar with all specifications and requirements of this RFP. Your failure or omission to examine any relevant form, article, site or document will not relieve you, as a contractor, from any obligation regarding this RFP. By submitting a Response, you are presumed to concur with all terms, conditions and specifications of this RFP unless you have specifically, by Section number, raised objection. Objections we consider excessive or affecting vital terms may reduce or eliminate your prospects for award.

1.3.2.1 SUBMISSION OF PROPOSALS – Proposals should be prepared in such a way as to provide a straight forward, concise delineation of capabilities to satisfy the requirements of the RFP. Extensive binding, colored displays, promotional materials, etc., are not necessary or desired. Emphasis should be concentrated on conformance and clarity of content.

1.3.2.2 COMPLETENESS – Proposal shall be completed in all respects as indicated. A proposal may be rejected if it is conditional or incomplete, or it contains irregularities of any kind.

1.3.2.3 FALSE/MISLEADING STATEMENTS - Proposals which contain false or misleading statements, or which provide references which do not support an attribute or capability of the proposed system may be rejected. If, in the opinion of Regional San, such information was intended to mislead Regional San in its evaluation of the Proposal and the attribute, condition or capability as a requirement of the RFP, the Proposal shall be rejected.

1.3.2.4 PROPOSAL SIGNATURE – The proposal must be signed by an individual who is authorized to bind the responding firm contractually. The signature should indicate the title or position that the individual holds in the firm. Firms who sign their contracts with the name of the firm must provide the name of the corporate officer for signature validation by Regional San. **An unsigned proposal shall be rejected.**

Thus, the result will not be determined by price alone.

1.5 CONTRACT EXECUTION - This RFP and the Contractor's Response will be made part of any Contract(s) and will be incorporated in the Contract as set forth.

1.5.1 PRECEDENCE - In the event of contradictions or conflicts between the provisions of the documents comprising the Contract, they will be resolved by giving precedence in the following order:

- 1) The provisions of the Contract (as it may be amended);
