COST RESPONSE PAGE

Provide a complete cost response indicating unit price if applicable. Proposals must be submitted on the cost response form furnished within this RFP. Proposals not received on the specified form will be rejected. Proposals are to be clear and legible. Errors in mathematical calculations will be corrected with unit price governing. The corrected total shall be deemed the amount proposed.

The cost of all labor, material and equipment necessary for the completion of the work itemized, even though not shown or specified, shall be included in the unit price for the item shown herein.

The Sacramento Regional County Sanitation District reserves the right to increase or decrease the quantity of any item or omit items as may be deemed necessary, and the same shall in no way effect or make void the contract, except that appropriate additions or deductions from the contract total price will be made at the stipulated unit price.

The Sacramento Regional County Sanitation District reserves the right to reject any or all proposals, to waive any informality or irregularity in any proposal or the proposal procedure, and to delete any items of work in the award of contract.

Complete the “Line Item Total” columns in legible handwriting or with typed figures.

PROPOSAL RANKING CRITERIA

A selection committee consisting of REGIONAL SAN engineering staff will rate the proposals received. The successful proposer will be the top proposer with the highest total score. In the event of a tie, a REGIONAL SAN representative will interview the contractors that have equal scores to determine which contractor better understands and represents a commitment to perform the services described in this RFP.

The criteria for evaluating the written proposals are described below:

Criteria	Point Value
Overall Responsiveness to RFP Requirements	10
Detailed Project Approach	25
Related Project Experience with References	15
Total Project Cost	50
Total	100
