BACKGROUND

The bar screens at the Sacramento Regional Wastewater Treatment Plant (SRWTP) are used to remove objects, such as rags and plastics, from incoming wastewater flow. They are the first line of filtration in the wastewater treatment process.

The existing 7.5 ton duty bar screen crane and an adjacent 1 ton auxiliary crane are showing signs of wear and are requiring more frequent maintenance. Regional San is inviting firms (contractors) with experience in the design, fabrication and installation of industrial equipment to replace the existing crane. The existing auxiliary crane will be reused but will need to be hard wired in the newly installed crane system.

SCOPE OF WORK

The project involves the design, fabrication and installation of a new single girder crane. Additional tasks include the demolition, removal and disposal of the existing crane as well as the installation of a new crane and its associated components and controls. Work also includes wiring and integrating the existing 1 ton auxiliary crane into the newly installed system.

Refer to specification sections and drawings in Appendix A and B for equipment requirements. Preliminary level drawings are included for information only in Appendix B. In addition, the Sacramento County Specification are incorporated by reference. Copies of these are available at:

DISTRICT INSURANCE REQUIREMENTS

Without limiting CONTRACTOR'S indemnification, CONTRACTOR shall procure and maintain for the duration of the Agreement, insurance against claims for injuries to persons or damages to property which may arise from or in connection with the performance of the Agreement by CONTRACTOR, its agents, representatives or employees. DISTRICT shall retain the right at any time to review the coverage, form, and amount of the insurance required hereby. If in the opinion of DISTRICT Risk Manager, insurance provisions in these requirements do not provide adequate protection for DISTRICT and for members of public, DISTRICT may require CONTRACTOR to obtain insurance sufficient in coverage, form and amount to provide adequate protection. DISTRICT'S requirements shall be reasonable but shall be imposed to assure protection from and against the kind and extent of risks that exist at the time a change in insurance is required.

1. Verification of Coverage

CONTRACTOR shall furnish DISTRICT with certificates evidencing coverage required below. **Copies of required endorsements must be attached to provided certificates.** DISTRICT Risk Manager may approve self-insurance programs in lieu of required policies of insurance if, in the opinion of the Risk Manager, the interests of DISTRICT and the general public are adequately protected. All certificates, evidences of self-insurance, and additional insured endorsements are to be received and approved by DISTRICT before performance commences. DISTRICT reserves the right to require that CONTRACTOR provide complete copies of any policy of insurance including endorsements offered in compliance with these specifications.

2. Minimum Scope of Insurance

Coverage shall be at least as broad as:

GENERAL LIABILITY: Insurance Services Office's Commercial General Liability occurrence coverage form CG 0001. Including, but not limited to Premises/Operations, Products/Completed Operations, Contractual, and Personal & Advertising Injury, without additional exclusions or limitations, unless approved by DISTRICT Risk Manager.

AUTOMOBILE LIABILITY: Insurance Services Office's Commercial Automobile Liability coverage form CA 00 01. Commercial Automobile Liability: auto coverage symbol "1" (any auto) for corporate/business owned vehicles. If there are no owned or leased vehicles, symbols 8 and 9 for non-owned and hired autos shall apply. Personal Lines automobile insurance shall apply if vehicles are individually owned.

WORKERS' COMPENSATION: Statutory requirements of the State of California and Employer's Liability Insurance.

CONTRACTORS POLLUTION LIABILITY (CPL): Insurance which provides coverage for liability arising from the sudden and accidental release of pollution on the project site or transportation of pollutants from or to the project site. The CPL must provide coverage for:

1. Insuring all of the services the Contractor provides in the normal course of operations under the Contract. Partial operations coverage is unacceptable.
2. Bodily injury, sickness, disease, sustained by any person, including death.
3. Property damage includes physical injury to or destruction of tangible property including the resulting loss of use thereof; clean-up costs, and the loss of use of tangible property that has not been physically injured or destroyed including diminution of value and Natural Resources damages.
4. Defense costs including costs, charges and expenses incurred in the investigation, adjustment or defense of claims.
5. Contractual liability coverage, e.g. coverage for liability assumed by the named insured under a written contract or agreement.
6. The full scope of the Contractor's operations as described within the scope of the Work.
7. The policy must provide coverage for third-party claims arising from owned and non-owned disposal sites utilized in the performance of this contract.
8. This coverage can be provided on either claims made or occurrence based policy form.
9. The policy must insure contractual liability, be Primary and Non Contributory and name Agency as an Additional Insured.

If CPL coverage is written on a claims-made form, the following provisions apply:

1. The "Retro Date" must be shown, and must be on or before the date of the Contract or the beginning of the Work.
2. Contractor must maintain the required CPL policy at not less than the required minimum limits, for not less than one (1) year after Final Acceptance of the Work.
3. If coverage is cancelled or non-renewed, and not replaced with another claims-made policy form with a "Retro Date" prior to the Contract effective date, the Contractor must purchase "extended reporting" coverage for a minimum of one (1) year after Final Acceptance of the Work.

UMBRELLA or Excess Liability policies are acceptable where the need for higher liability limits is noted in the Minimum Limits of Insurance and shall provide liability coverages that at least follow form over the underlying insurance requirements where necessary for Commercial General Liability, Commercial Automobile Liability, Employers' Liability, and any other liability coverage (other than Professional Liability) designated under the Minimum Scope of Insurance.

3. Minimum Limits of Insurance

CONTRACTOR shall maintain limits no less than:

General Liability shall be on an Occurrence basis (as opposed to Claims Made basis). Minimum limits and structure shall be:

General Aggregate:	\$2,000,000
Products Comp/Op Aggregate:	\$2,000,000
Personal & Adv. Injury:	\$2,000,000

Workers' Compensation: Statutory.

Employer's Liability: \$1,000,000 per accident for bodily injury or disease.

Contractor's Pollution Liability: \$2,000,000 per claim or pollution incident and \$2,000,000 Aggregate.

4. Deductibles and Self-Insured Retention

Any deductibles or self-insured retention that apply to any insurance required by this Agreement must be declared and approved by DISTRICT.

5. Other Insurance Provisions

The insurance policies required in this Agreement are to contain, or be endorsed to contain, as applicable, the following provisions:

6. All Policies:

- a. ACCEPTABILITY OF INSURERS: Insurance is to be placed with insurers with a current A.M. Best's rating of no less than **A-: VII**. DISTRICT Risk Manager may waive or alter this requirement, or accept self-insurance in lieu of any required policy of insurance if, in the opinion of the Risk Manager, the interests of DISTRICT and the general public are adequately protected.
- b. MAINTENANCE OF INSURANCE COVERAGE: CONTRACTOR shall maintain all insurance coverages in place at all times and provide DISTRICT with evidence of each policy's renewal within ten (10) days after its anniversary date. Contractor is required by this Agreement to immediately notify County if they receive a communication from their insurance carrier or agent that any required insurance is to be canceled, non-renewed, reduced in scope or limits or otherwise materially changed. Contractor shall provide evidence that such cancelled or non-renewed or otherwise materially changed insurance has been replaced or its cancellation notice withdrawn without any interruption in coverage, scope or limits. Failure to maintain required insurance in force shall be considered a material breach of the Agreement.

7. Commercial General Liability, Commercial Automobile Liability and Pollution Liability:

- a. ADDITIONAL INSURED STATUS: SACRAMENTO REGIONAL COUNTY SANITATION DISTRICT and the COUNTY OF SACRAMENTO, their governing Boards, officers, directors, officials, employees, and authorized volunteers and agents (each an "Additional Insured Party," and collectively, "Additional Insured Parties") are to be endorsed as additional insureds as respects: liability arising out of activities performed by or on behalf of CONTRACTOR; products and completed operations of CONTRACTOR; premises owned, occupied or used by CONTRACTOR; or automobiles owned, leased, hired or borrowed by CONTRACTOR. The coverage shall contain no endorsed limitations on the scope of protection afforded to The Additional Insured Parties.
- b. PRIMARY INSURANCE: For any claims related to this agreement, CONTRACTOR'S insurance coverage shall be endorsed to be primary insurance as respects the Additional Insured Parties. Any insurance or self-insurance maintained by the Additional Insured Parties shall be excess of CONTRACTOR'S insurance and shall not contribute with it.
- c. SEVERABILITY OF INTEREST: CONTRACTOR'S insurance shall apply separately to each insured against whom claim is made or suit is brought, except with respect to the limits of the insurer's liability.
- d. SUBCONTRACTORS: CONTRACTOR shall be responsible for the acts and omissions of all its subcontractors and additional insured endorsements as provided by CONTRACTOR'S subcontractor.

8. Workers' Compensation:

WORKERS' COMPENSATION WAIVER OF SUBROGATION: The workers' compensation policy required hereunder shall be endorsed to state that the workers' compensation carrier waives its right of subrogation against the Additional Insured Parties, which might arise by reason of payment under such policy in connection with performance under this Agreement by CONTRACTOR. Should CONTRACTOR be self-insured for workers' compensation, CONTRACTOR hereby agrees to waive its right of subrogation against the Additional Insured Parties.

9. Property

PROPERTY AND INLAND MARINE WAIVER OF SUBROGATION: Any Property or Inland Marine insurance policies (such as are used to insure contractors' equipment) maintained by CONTRACTOR in performance of the Agreement shall be endorsed to state that the insurer shall waive all rights of subrogation against DISTRICTS and COUNTY OF SACRAMENTO.

10. Notification of Claim

If any claim for damages is filed with CONTRACTOR or if any lawsuit is instituted against CONTRACTOR, that arise out of or are in any way connected with CONTRACTOR'S performance under this Agreement and that in any way, directly or indirectly, contingently or otherwise, affect or might reasonably affect DISTRICT, CONTRACTOR shall give prompt and timely notice thereof to DISTRICT. Notice shall be prompt and timely if given within thirty (30) days following the date of receipt of a claim or ten (10) days following the date of service of process of a lawsuit.

11. INDEMNITY:

Proposers are expected to agree to the following indemnity:

To the fullest extent permitted by law, Contractor shall indemnify, defend, and hold harmless Sacramento Regional County Sanitation District and the County of Sacramento, their governing Boards, officers, directors, officials, employees, and authorized volunteers and agents, (collectively "Indemnified Parties") from and against any and all claims, demands, actions, losses, liabilities, damages, and all expenses and costs incidental thereto (collectively "Claims") including cost of defense, settlement, arbitration, and reasonable attorneys' fees, resulting from injuries to or death of persons, including but not limited to employees of either Party hereto, and damage to or destruction of property or loss of use thereof, including but not limited to the property of either Party hereto, arising out of, pertaining to, or resulting from the acts or omissions of the Contractor, its officers, employees, or agents, or the acts or omissions of anyone else directly or indirectly acting on behalf of the Contractor, or for which the Contractor is legally liable under law regardless of whether caused in part by an Indemnified Party. Contractor shall not be liable for any Claims to the extent caused by the active negligence of an Indemnified Party where such indemnification would be invalid under Subdivision (b) of Section 2782 of the Civil Code.

This indemnity shall not be limited by the types and amounts of insurance or self-insurance maintained by the Contractor or the Contractor's Subcontractors.

Nothing in this Indemnity shall be construed to create any duty to, any standard of care with reference to, or any liability or obligation, contractual or otherwise, to any third party.

The provisions of this Indemnity shall survive the expiration or termination of the Agreement.
