RFP# 9011 - On-call Biological Monitoring Services
RFP Issued March 28, 2017
RESPONSE TO QUESTIONS - POSTED APRIL 11, 2017

Date	Question	Response
4/10/2017	How often have you had conditions in which continuous monitoring occurred (i.e. 7 days a week for 12 hours per day)?	While it has occurred in the past, Regional San has not quantified the number of occasions where continuous monitoring has been required 7 days per week for 12 hours a day.
4/10/2017	Will the worker Environmental Awareness Training need to be conducted in Spanish as well as English?	Worker Environmental Awareness Training will be expected to meet the conditions prescribed by California Environmental Quality Act (CEQA), California Department of Fish and Wildlife (CDFW) and/or United States Fish and Wildlife Service (USFWS) requirements for any particular Regional San project.
4/10/2017	Is there currently a company that is performing biological monitoring for the Sacramento Regional Sanitation District?	Answered in the Response to Questions posted April 6, 2017
