

**Sacramento Regional County Sanitation District**

**RFP No. 9061 - Biosolids Recycling Alternatives Study & Management Plan Update**

**Response to Questions – Posted March 25, 2020**

Two questions were received. The questions are shown below with responses in **RED**.

1. Considering the Shelter in Place restrictions and future uncertainties, has Regional San considered revising the Submittal Instructions to only accept Digital Proposals?

**The information in this response supersedes submittal instructions in the RFP.**

**Parties that are going to submit a proposal are now required to notify Steve Nebozuk by email at [nebozucs@sacsewer.com](mailto:nebozucs@sacsewer.com). The notification is due by 3:00 p.m. on April 3, 2020.**

**-Hard copy proposals and thumb drives are no longer being accepted.**

**-Proposals will only be accepted electronically (pdf files) by email to [nebozucs@sacsewer.com](mailto:nebozucs@sacsewer.com) by the due date posted in the RFP (**April 15, 2020, by 3:00 p.m.**). Email size limit is 30 MB per email. Parties can submit more than one email if needed to meet the size limitation. Please use logical breaks if needed to meet the 30 MB limit and provide relevant file names to facilitate review.**

**-Parties will include a password protected document in their electronic submittal that contains the cost information required in the RFP. The password of the highest ranking consultant will be requested after scoring is complete.**

2. Does the 12 point font minimum apply to tables and figures?

**The 12 point font does not apply to tables and figures.**
