**ADDENDUM NO. 1**

**TO THE PROSPECTIVE PROPOSERS UNDER RFP NO. 9014**

**Landscape Architectural Services for Nicolaus Dairy Repurposing Project**

**SACRAMENTO REGIONAL COUNTY SANITATION DISTRICT**

**Amendments to RFP No. 9014 as follows:**

1. On page 4 of the RFP document, under section 5b of Scope of Services, the text is revised:

*Consultant will provide drawings, specifications and an engineer's estimate for the proposed design. Drawings and specifications will need to be submitted at 50%, 90% and 100% of the design process.*

2. On page 6 of the RFP document, after "c - Consultant Team," insert and add the following proposal content entitled "d – Project Approach," and re-letter the existing subsequent content titles in alphabetical order (e, f, g, etc.):

*d. Project Approach: Describe your firm's proposed approach to meeting the objectives described in Section 3 of this RFP.*

3. On page 6 of the RFP document, under section g, add the following text after the last paragraph:

*Please briefly describe your outreach efforts, if your firm is planning to utilize sub-consultants specific to the project.*

**Thank you,**

A handwritten signature in blue ink that reads "Vyomini Upadhyay".

**Vyomini Upadhyay**  
**Associate Civil Engineer**  
**Sacramento Regional County Sanitation District**
